The Kennebunk/Kennebunkport Chamber of Commerce is building on the success of 2005's primary marketing tool, "*Visit the Kennebunks, Your Maine for all seasons*" with the 2006 publication, planned to be even more colorful and information packed. The Chamber will print and distribute 100,000 copies and estimates an additional 35,000 will be downloaded via the website.

The perfect way to enhance your exposure in *Visit The Kennebunks* is to advertise your business on our highly successful website.

The primary fulfillment publication from the Maine Tourism Association will distribute 335,000 copies in response to domestic and international inquiries.

Visits to the site continue to increase, month after month, as vacationers use it to plan their lodging, dining options and activities. The Chamber estimates approximately 130,000 impressions in the coming year.

Your ad will appear in the Kennebunk/Kennebunkport Chamber of Commerce pages within the Southern Maine Coast Section.
